DRZYA EVENT

Sept 14: Indira Institute Of Management recently hosted an inspiring event called DRZYA, which focused on the foundation of disabled people. DRZYA, which stands for "Listen, Learn, and Celebrate," was a powerful initiative aimed at motivating and empowering students. The driving force behind DRZYA was Ms. Geeta Poduval, a remarkable individual with a relentless spirit and a commitment to breaking personal and societal barriers. The event took place at the institute and featured a diverse group of people with different disabilities. These individuals shared their compelling life stories with the students, emphasizing the importance of not giving up on oneself, fostering self-confidence, and conquering fears.

The event was a fulfilling experience, leaving the students highly motivated by the speakers' resilience and determination. DRZYA also included various games and skills demonstrations by the team, adding an interactive and engaging dimension to the event. The primary objective of DRZYA was to encourage students to pursue their dreams without hesitation, and it successfully achieved this goal. In the end, the students were thrilled to have been a part of this event, which left a lasting impact on their perspectives. They expressed their gratitude to the institute for organizing such a meaningful and motivational event that not only celebrated the strength of disabled individuals but also instilled a sense of determination and purpose in the attending students.

Sept 19: Ganpati Bappa Morya!

On the auspicious occasion of Ganesh Utsav, the air was filled with excitement and devotion as extensive efforts were taken to welcome Bappa, embarking on a spiritual and energetic journey, uniting all the faculty members and students to celebrate Bappa's presence. An elaborately decorated idol of Lord Ganesha took center stage, with traditional decorations. The mere presence of Bappa enriched everyone with the most divine and positive vibes. For the next 10 days, morning aarti was conducted on the campus by the students and faculty engaging in melodious bhajans and clad in traditional attire coming in to take Bappa's blessings and most delicious of the sweets. Overall, it was a joyous and spiritually enriching journey, celebrating the presence of Lord Ganesha and promoting values of unity, cultural diversity, and environmental responsibility within the college community. It was a beautiful fusion of tradition and modernity, leaving an indelible mark on the hearts of all who participated.

TRADITIONAL DAY

Sept 27: The Traditional Day celebration saw all the students and faculty come together to showcase the rich cultural heritage of our country. It was a day filled with vibrant colours, upbeat music, and delicious sweets that allowed everyone to connect with their roots. To immerse themselves in the spirit of tradition, students and faculty were all dressed in traditional Indian attire. The campus was a visual treat, with participants wearing sarees, kurta-pajamas, dhotis, and various regional outfits representing the cultural diversity of India. The event actively promoted an environment where students from diverse backgrounds felt welcome and valued. This commitment to diversity enriches the students' experiences and helps them develop a love for the Indian culture. Everyone was joined together in the festive feeling and had a sense of enjoyment over them. The students actively clicked pictures with their peers, which showed how this event brought them closer. The event brought about happiness amongst the students especially the ones spending this festival away from their families and home. An event like this most certainly helped to make them feel at home. The Traditional Day celebrations at our College were a resounding success, promoting cultural awareness, unity, and pride among students and faculty.
