Kind Attention Researchers,

Greetings from the Research Committee of Indira Institute of Management Pune!!

It gives us immense pleasure to announce the National Conference on Operations & Supply Chain Management & Business Analytics (NCOSCM-BA 2022). The conference invites academicians, research scholars and corporate professionals to present their research on the ideas and concepts that substantiates the role of IT and Business Analytics and Operations & Supply Chain in Management. This interdisciplinary conference will feature keynote speakers from industry and academia.

The theme addresses the current advancement in the field of BA and OSCM. The fact that advancement in technology and Analytics support has not only changed the face of OSCM but has changed the dynamics of business. The growing impact of big data, disruptive technology and an ever-volatile environment are the trends demanding radical change in the way we perform our tasks. IT and BA has enabled the entire world to survive and sustain in pandemic and set precursor of Reimagining possibilities in a big way. With the advent of IT and BA in the management stream and becoming an integral part of it, we thought of creating a platform for researchers to explore and think big to embrace change from a business perspective.

Indira Institute of Management Pune is the flagship institute of Shree Chanakya Education Society. IIMP is an autonomous institute affiliated with Savitribai Phule Pune University. The institute offers MBA and BBA (UG Program). The MBA and BBA programs are affiliated with SPPU. IIMP is the very first management institute in Pune and third in Maharashtra to be accredited by the National Board of Accreditation (NBA) of AICTE, New Delhi for MBA courses. It is re-accredited for the fourth time up to June 2023. The recent grant of autonomy is yet another feather to its cap.
